

Welcome to the Cruise to Cash Vacations HOTEL PLUS PROGRAM

Cruise to Cash Vacations and Hemisphere Travel is pleased to announce the Hotel Plus Program. In cooperation with hotel chains and leading independent properties we have a preferred rate plans for corporate and leisure travel. Our premier hotel marketing program is affiliated with over 19,000 members. The scope and influence of that member audience is manifested in its over 3 million room night bookings annually.

The Hotel Plus and the Hotel VIP Program Cards are great enhancements for the Condo Card program due to the fact that it provides hotel rooms in area where condos are not typically found. Business travelers needing lodging in a metropolitan city that cannot find an available condo have the option to use the HPP to find a hotel room. Another great feature is that the minimum night stay is 2 to 3 nights instead of the condo 7 night stay.

WHAT THE HOTEL PLUS CARD PROGRAM DOES:

- 1) Offers over 83,000 properties world-wide
- 2) Guarantees Lowest rate per night (based on availability)
- 3) Requires 2-Day Minimum Stay
- 4) Some properties will require pre-payment in full
- 5) Some Hotels will be non-refundable/non-changeable
